TO WHOM SO EVER IT MAY CONCERN

This is to certify that the use of KITEC Composite pipe for Chilling Water line, Airline & Fuel (LDO or Diesel) oil line is highly recommended.

We had found that the installation was much easier & faster. After use of many years there are no problem seen, We have replaced all other lines to KITEC and we are very confident with this Unique Product. Our Cost of desmentalling, Painting & Problem of corrosion are totally solved.
