

TO WHOMSOEVER IT MAY CONCERN

This is to certify that we have been using KiTEC pipes for our boiler feed water line.

The quality of the work done at our place is very good. Installation & handling of these pipes are very convenient and have proven itself to be very efficient in terms of the flow of water.

We are extremely satisfied with the quality of the product and are looking foreword to use KiTEC pipes in our future applications.

For KARE LABS PVT. LTD.,
