13/03/2002

M/s. Caaavery Agro Agencies,  
Chennai.

Kind Attention : Mr. V. Srinivasan.

We are pleased to inform you that the KiTEC Composite hose supplied by you has been successfully tested and being used in one of the machine at the customer's end. However the lengths differ from model to model and as such, we need assemblies in 3 lengths. The details for the same along with our April requirement are furnished below. The purchase order follows after getting Our part numbers which will be created during next week by our design department.

1.0 metre length	-	20 Nos.
1.5 metre length	-	20 Nos.
2.0 metre length	-	40 Nos.

Please immediately quote for the 1 metre and 2 metre lengths.

Regards,

(M.C.Siva Kumar)  
Supply Group.
