TO WHOMSOEVER IT MAY CONCERN.

This is to certify that we have been using Kitec Composite Pipes for the last 4 years in Military Engineering Services' works in Belgaum as replacement of corroded GI pipes in water supply lines as well as for hot & cold water plumbing in residential quarters.

We are happy with the trouble free performance of Kitec Pipes. We also appreciate the services rendered by M/s. Vital Enterprises as to supply of material as well as training up of our plumbers.

For Dhanashri Enterprises,
