Date : 25.5.2002

TO WHOMSOEVER IT MAY CONCERN

This to certify that I have used KITEC COMPOSITE pipes in my newly constructed house about one year back and I am fully satisfied with the functioning of the pipes and after sales and service is more than satisfactory as Company people are regularly in touch the with me regarding any problem.

I find the quality of pipes and after sales service of the company fully satisfactory.

Dr. Harish Agarwal,
