TO WHOM SO EVER IT MAY CONCERN

Date: 24th June, 2014

This is to certify that we have installed KiTEC Composite Pipes for our above Hotel. The first procurement of KiTEC Pipes was in the year 2008.

KiTEC Pipes were used for Hot and Cold water line of the toilets of the guest rooms and also for the ringline and downtake line.

We are satisfied with the performance of KiTEC Pipes as we have experienced no problem what so ever during its use of now more than 7 years.
