Dear Sir,

Kind Attn. : Mr. sandip.

This is to certified that we have used KiTEC Pipes and fittings at our Project for external Plumbing at Mafatlal Polytechnic College, Mithibhai College, A. J. College of Kelavni Mandal, at Juhu Vile Parle, Mumbai.

We have been very much Satisfied with excellent performance of KiTEC Pipes and fittings. The installation and laying of these pipes are easy, work is done very fast, less wastage, very flexible, joints are less.

Hence we would highly recommend the usage of this Plumbing system to all those who are constently on the look for better process and Materials for the building constructions.

Thanking you,

Yours faithfully,
