TO WHOMSOEVER IT MAY CONCERN

This is to certified that we have used KITEC Pipes and Fittings for our various Projects in Internal and External Plumbing works.

We have been very much satisfied with Excellent Performance of KITEC Pipes and Fittings. The installation and laying of these pipes are easy, work is done very fast, less wastage, very flexible, joints are less and cost effective. The services rendered by the company or distributors or stockist etc. is very prompt and efficient.

Hence, we would highly recommend the usage of this Plumbing system to all those who are constantly on the look for better process and materials for the building constructions.
