ATTN: Mr. A. LADHA

Sir,

As per our discussion and your kind follow up attention the job of supply and installing the Kitec pipes has been completed by your Mr. Kulkarni and myself but we could not test it as there is a water shortage in my area.

Mr. Kulkarni has been attentive efficient and most cooperative and presently I wish to say that your product is exceptional and could do better some strong marketing.
Best wishes.

Yours Sincerely
Heatingon
