TO WHOM IT MAY CONCERN

This is to certify that we have been using Kitec Composite Piping System in our various Projects at Kolkata since last 4 years and we are completely satisfied with this new and innovative product.

We found this piping system to have many advantages over conventional GI system like:

- ❖ Non-corrosive considering water quality of Kolkata
- ❖ Cost effective
- ❖ Fast & easy installation
- ❖ Minimum wastage
- ❖ Lesser number of joints

We intend to use this piping material in our future projects. We recommend the use of Kitec pipes for all those looking for a better piping system.

We are also satisfied with the services provided by their dealers, M/s. Fortune Enterprises.
