

**Office of the Divisional Manager (Engg.)
Civil Wing, S.M.V.D. Shrine Board, Katra.**

.....

To Whom It May Concern

It is certified that Kitec Composite Pipes are used in our water supplies and plumbing works in our buildings since 1999-2000.

The performance of these pipes is very satisfactory and the post maintenance is absolutely negligible & easy.

The services provided by M/s Aditya Enterprises – Jammu is also commendable.
