

25/07/05
OFFICE OF THE CHIEF ENGINEER, PWD (R&B) DEPARTMENT JAMMU.

PERFORMANCE CERTIFICATE

KITEC composite Pipes used for hot and cold water, water supplies in J&K Board of School Education's residential flats and examination block, Jammu have proved satisfactory with no maintenance cost.

The system is running absolutely with out any trouble for the last two years. These pipes are easy to install, no corrosion, no scaling, no bore loss observed and economical.
