TO WHOM SO EVER IT MAY CONCERN

This is to certify that, we have used Kitec Pipes & Fittings for our Residential Projects Srila Heights at East Marredpally, HYDERABAD for Hot & Cold Water Supply.

The Pipes were used for concealed plumbing, loop lines and down take lines. The pipes were used for 84 highend flats comprising Eight Floors Two Towers. The installation was done in the year 2004-05.

The system is working satisfactory till date and we would like to state that we are happy and fully satisfied with the services & quality of Kitec Pipes & Fittings.

Thanking you,

Yours Truly,
For **SRILA BUILDERS**
