TO WHOMSOEVER IT MAY CONCERN

This is to certify that we have installed Kitec Composite Pipes in our Hotel renovation at Kolkata for concealed hot & cold plumbing water lines & also for room AC Drain lines.

We have also been using Kitec Pipes for the last 5 years at our beach resort at Goa & we are very much satisfied with the performance.

We strongly recommend the use of Kitec Pipes as this is a technically superior material, its installation is very easy & fast and is easy to maintain.

We are also satisfied with the services & support provided by their dealers M/s Fortune Enterprises, Kolkata.
